Why am I here?
Why do we run eFTI pilots?

- Test how **eFTI** works in **everyday** transport,
- Check that **systems work together** across borders,
- Find and **fix problems before** wider use,
- Show how **eFTI makes** daily work **easier**,
- Help **people** feel **ready** and confident **to use it**.

What do we have today?

- eFTI4ALL deliverable: DLK developed and runs **24/7 eFTI TestBed**

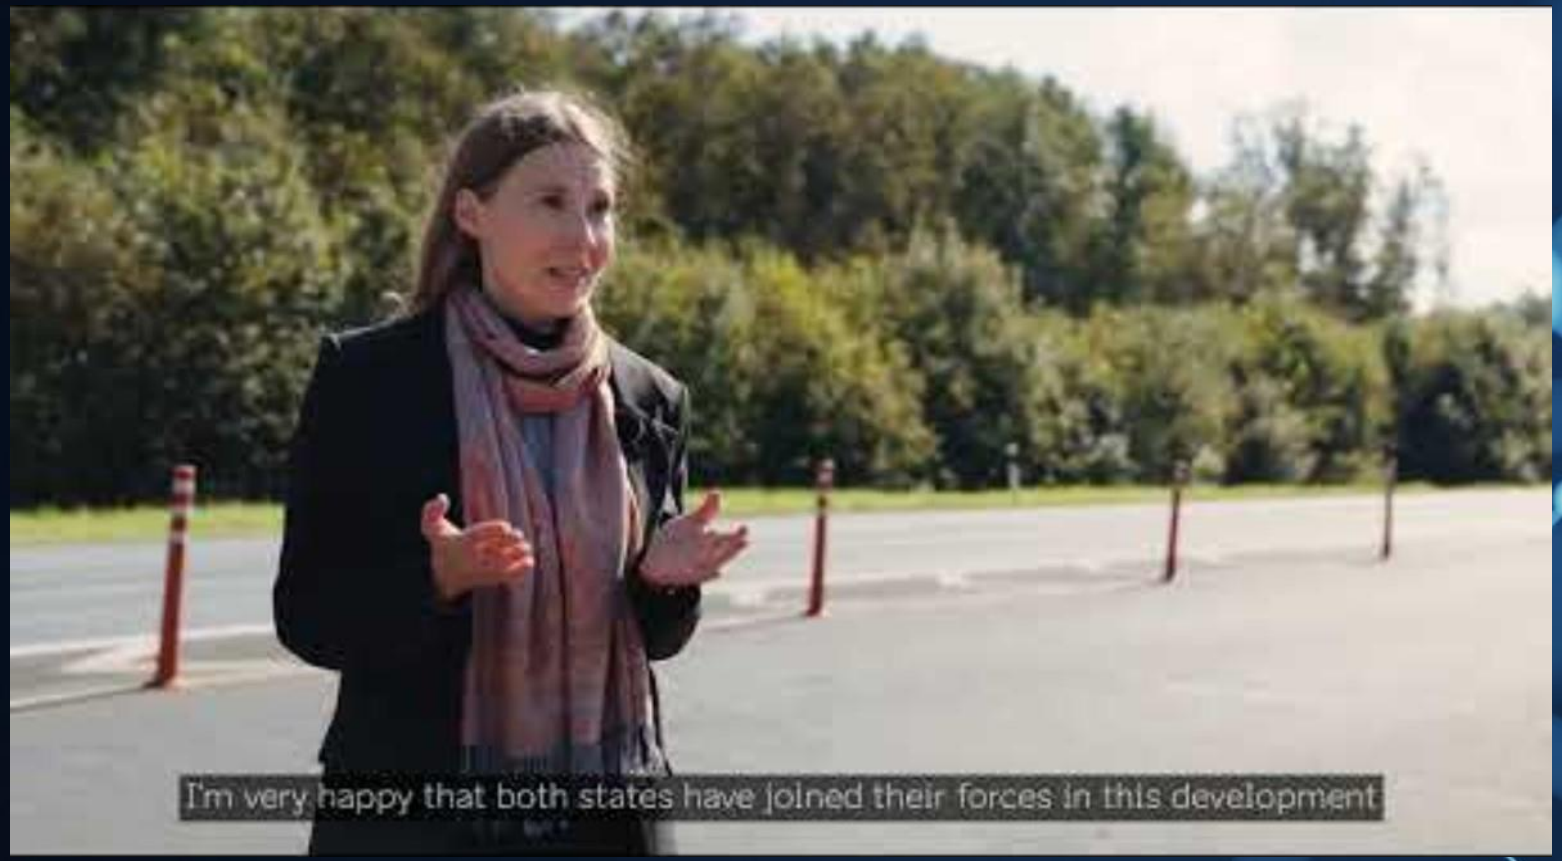

- Partners of all eFTI4 projects are welcome to join! support@dlk.ee

The pilots **continue** with **more member states**, more use cases.
